## A Note from the Club

Season's greetings and happy holidays to our fellow Cyclones! We would like to extend our sincerest thanks to everyone who helped grow this year's poinsettia crop, and to all of you, our loyal supporters, who help provide this hands-on learning opportunity for our club. We would also like to send a special thank you to Plantpeddler, of Cresco, lowa, for once again providing outstanding rooted-cuttings for us to grow. We are very excited to share our beautiful poinsettias with you all this year, and can't wait for you to have them in your homes! We hope you enjoy them as much as we have enjoyed growing them! Thanks and happy holidays!

- Lucas Roberts, Hort Club President

## **Poinsettia Availability**

Pink, burgundy, and ALL 10"
poinsettias MUST be
preordered, and will not be
available at our stand.

To ensure that everything in your order is available on November 30, we ask that all preorders be placed no later than November 20 (11/20).

Orders placed after Nov. 20 will not be 100% fulfillment guaranteed, due to the limited number of poinsettias.

If we run out of a color that you have requested on a preorder form, we will contact you to discuss potential substitutions!

Pot covers and transport sleeves are included with each plant.

Availability of pot cover colors may vary.

Sizes indicate the size of the pot. So a 6.5 inch poinsettia is the size of the pot it is grown in. All poinsettias are around 14 to 16 inches tall.
